3.				

### Program Scholarships/ Donations

WizKidz Science and Technology Centers offers a variety of special events, programs, and activities for Georgia youth. Unfortunately, there are underprivileged children who can not participate in these fun, interactive, and confidence building programs. **Your camp fee is 100% tax deductible.** Your fee not only covers supplies and materials for our camps, a portion of the fee also goes toward an initiative to build a scholarship fund that will enable underprivileged children to attend or participate in our community programs and events. The scholarships will be given through an application process to ensure the most deserving recipients will be given the opportunity to participate. If you wish to donate a different amount, please specify by checking the box below when submitting your class fee. Thank you in advance for your kind support.

Please add the noted dollar amount to my camp fee to enable underprivileged youth to participate in WizKidz programs. I understand that this is a voluntary donation. \$ \_\_\_\_\_

Enrollment forms and camp fees must be submitted at least 2 weeks prior to start of class. Make checks payable to WizKidz Science and Technology Centers, Inc. Please mail or submit in person to: WizKidz Science and Technology Centers 1152 Auburn Rd. Dacula, GA. 30019
